ORDER

The writ on hand has been instituted seeking direction to the 2nd respondent to dispose of the representation given by the petitioner on 24.08.2022.

2. The petitioner claims his share in his ancestral property. His share has been sold by the other co-sharers without his consent. Thus, the petitioner states that a fraud has been committed by other co-sharers. The very presentation of facts by the petitioner would amplify that the case is of civil nature warranting an adjudication from the hands of the Civil Court of Law. The petitioner has to establish his civil rights in the Competent Civil Court of Law with respect to his share and such adjudication cannot be done by the District Registrar under the provisions of the Registration Act.

3. At this juncture, the learned counsel for the petitioner made a submission that he has chosen to withdraw the writ petition. The petitioner is

permitted to withdraw the writ petition with a liberty to approach the Civil Court of Law.
