2. The learned counsel for the petitioner submitted that the petitioner's land was acquired by the Tamil Nadu Highways Department for road widening and that the amount of compensation fixed by the authorities was very low. Hence, the petitioner made representations to refer his claims before the competent authority under Section 64 of the Tamil Nadu Land Acquisition Act. The competent authority is the District Collector/Arbitrator. The 3rd respondent, instead of referring the matter to the District Collector, referred to the Civil Court which is against the provisions contemplated under Section 64 of the Act. Even though the petitioner made representations, the same were not considered and kept pending in the cold storage. Therefore, the present writ petition is filed.

3. It is seen that the representations of the petitioner are genuine. Therefore, the 1st respondent is directed to consider the petitioner's representation dated 06.04.2023 and refer the petitioner's claim to the 2nd respondent namely the District Collector for the enhancement of compensation. On receipt of the same, the District Collector shall consider the petitioner's claim and pass orders on merits and in accordance with law, if

the petitioner is otherwise eligible, within three months from the date of receipt of a copy of this order.
