ORDER

This writ petition has been filed seeking to direct the respondent to consider the petitioner representation dated 04.05.2023 to take necessary departmental action against respondents 8 to 11.

2. It is the case of the writ petitioner that in his private land, the respondents 8 to 11 had trespassed without any notice and caused damages to her land without following any rules.

3. The learned Government Advocate, on the other hand, submitted that the petitioner has encroached into the temple property and the officials have removed the encroachment and now, the petitioner has given a representation.

WP.No.21516 of 2023

4. Heard both sides and perused the materials placed on record. It is relevant to note that the petitioner has not produced any documents whatsoever before this Court to substantiate the claim that he is the owner of the properties. If at all, the petitioner is aggrieved, his remedy lies elsewhere and not by giving a representation and getting a plain direction from this Court. In fact, the petitioner innocuously seeks to take action against the respondents 8 to 11.

5. In such view of the matter, this Writ Court cannot be used to settle the personal disputes. Accordingly, I do not find any merits in this case and this writ petition stands dismissed. No costs.
