COMMON ORDER

(Order of the Court was made by J.NISHA BANU, J., and N.MALA, J.,)

Challenging the impugned proceedings issued by the Greater Chennai Corporation in respect of demand notice/demanding remittance of

W.P.Nos.22347, 22348, 22350 & 22351 of 2023

rent/damage fee for erection of hoardings, the petitioners have filed the above Writ Petitions.

2. The facts involved in all the Writ Petitions are one and the same and relates to removal of Hoardings erected by the petitioners and hence, disposed of by this common order.

3. The Commissioner, Greater Chennai Corporation (hereinafter referred to as “GCC”) is the authority to grant permission for erection of Hoarding within the Greater Chennai Corporation limit. As per the Rules, a person who intends to erect a Hoarding must submit an application as per the forms prescribed in the Rules enclosing the required documents including No Objection Certificate from the Traffic Police and a certificate with regard to structural strength of such Hoardings.

4. This Court, on 26.07.2023, found that there is no infirmity in the impugned order passed by the 3rd respondent holding that the petitioners had not declared the date of erection of the illegal hoardings and therefore, the 3rd

W.P.Nos.22347, 22348, 22350 & 22351 of 2023

respondent assessed the rent for one license period i.e., for 3 years. Further, this Court, as an interim measure directed the petitioners to pay the rent/damage fees for one license period as per the rate fixed by this court in the Order dated 28.04.2023 but in square meters, within a period of two weeks.

5. Aggrieved by the final order passed by this court dated 28.04.2023, some of the petitioners filed Special Leave to Appeal (C)Nos. 17284 of 2023 and SLP (C)Nos.17226 – 17232 of 2023 before the **Hon'ble Supreme Court and the Supreme Court, by order dated 08.08.2023** fixed the license fee for erecting the hoardings at Rs.3,000/- per square meter with effect from December, 2022 till date.

6.Subsequently, when SLP(C).Nos.17204 of 2023 etc batch was taken up on 14.08.2023, the Hon'ble Supreme Court, held as follows:-

“Though the petitioners are assailing the orders impugned herein, the detailed consideration of the same need not be made herein, since this Court in analogous petitions in SLP (C) No. 17204 of 2023 had

W.P.Nos.22347, 22348, 22350 & 22351 of 2023

taken note of the contentions and had permitted the petitioners-therein who are similarly placed as that of the petitioners-herein to pay the amount due and payable from December, 2022 onwards and seek consideration of their right to continue and determination of actual arrears. In that light, the petitioners are permitted to continue to hold on to the advertisement hoardings.

In that view of the matter, the petitioners-herein are also permitted to pay the license fee from December 2022 onwards within a period of two weeks. In addition, they shall furnish all the documents to the Competent Authority to determine the period from which each of the petitioners have been existing and carrying on their advertisement hoardings. Such documents be filed within two weeks. The Competent Authority shall consider the same and determine the date of erection of the hoardings and pass the appropriate orders thereto. Such exercise shall be completed by the Competent Authority within four weeks from the expiry of the two weeks provided to the petitioners to furnish the documents, after providing opportunity of hearing to the petitioners, by the Competent Authority.

W.P.Nos.22347, 22348, 22350 & 22351 of 2023

Needless to mention that any recovery of the license fee earlier to December, 2022 will depend on the consideration made by the Competent Authority and the consideration of the correctness of the said order if the petitioners are aggrieved and if they avail their appropriate remedies in accordance with law. In that regard, the contentions are left open.

It is, therefore, made clear that if the amount calculated from December, 2022, is paid by the petitioners within two weeks from this day, the existing hoardings shall continue until the decision is taken by the Competent Authority or by the forum concerned.

Keeping in view this order, we feel that the writ petitions which are pending before the High Court would not arise for further consideration since the parties, if aggrieved, can avail their remedies against the fresh cause of action based on the determination to be made by the Competent Authority.

In terms of the above, these petitions stand disposed of.”

7. Earlier on 26.07.2023 this Court had directed the petitioners to pay the license fee and the cases were directed to be posted for compliance today. Today, when the matters are called, learned counsel for the petitioners have not reported compliance.

8. In spite of ample opportunities given to the petitioners and directions given by the Hon'ble Supreme Court in this regard, the petitioners have not paid the license fee. Therefore, the writ petitions stand dismissed. The respondents are directed to remove the hoardings as per Rules. No costs. Consequently, connected miscellaneous petitions are closed.
