the respondents and therefore, in order to get further engagement or permanent appointment, the petitioner had given several representations and last such representation was given on 19.12.2011 to the second respondent, and since the same was not considered by the respondents, the petitioner has filed a writ petition in W.P.No.6777 of 2012. This Court, by its order, dated 24.03.2021 disposed of the said writ petition directing the first respondent to consider the petitioner's representation dated 19.12.2011 and dispose of the same on merits and in accordance with law, pursuant to which, the present impugned order is passed. Challenging the same, the above writ petition has been filed.

3. Though very many grounds have been raised in this writ petition, however, at the time of arguments, the learned counsel for the petitioner restricted his prayer and sought permission of this Court to grant liberty to the petitioner to approach the concerned authority either under the Contract Labour (Regulation and Abolition) Act, 1970 or under the Tamil Nadu Industrial Establishment (Conferment of Permanent Status to Workmen) Act, 1981.
