2. It is the case of the writ petitioner that he had joined in the respondent Corporation on 15.05.1992 as Conductor and had retired from his service on 31.05.2022. It is the grievance of the writ petitioner that the respondents paid the retirement benefits such as EPF Employees' Contribution, Gratuity, Encashment of Earned/Sick Leaves and Already Surrendered Earned Leaves belatedly without any interest. Hence, he made a representation on 07.07.2023 requesting the respondents to pay interest for belated payments and other unsettled terminal benefits and the same has not been considered. Hence, this writ petition.

3. It is the contention of the learned counsel for the petitioner that though certain retirement benefits have been paid and the same have been paid belatedly and still other the terminal benefits have not been paid. The retirement benefits have not been paid on time, which is the last source of income to the retired employee.

4. In such view of the matter, the respondents Corporation is directed to pay 4% interest per annum for the belated payments of retirement benefits paid
