2. It is the case of the writ petitioner that he had joined in the respondent Corporation on 08.02.1988 as Tradesman and had retired from his service on 30.06.2022. It is the grievance of the writ petitioner that the respondents paid the retirement benefits such as EPF Employees' Contribution, Gratuity and Encashment of Leaves and already surrendered earned leaves belatedly without any interest. Hence, he made a representation on 05.07.2023 requesting the respondents to pay interest for belated payments and other unsettled terminal benefits and the same has not been considered. Hence, this writ petition.

3. It is the contention of the learned counsel for the petitioner that though certain retirement benefits have been paid and the same have been paid belatedly and still other the terminal benefits have not been paid. The retirement benefits have not been paid on time, which is the last source of income to the retired employee.

4. In such view of the matter, the respondent Corporation is directed to pay 4% interest per annum for the belated payments of retirement benefits paid

to the petitioner and also directed to disburse the unpaid terminal benefits, if any, within a period of two months from the date of receipt of a copy of this order, with interest at the rate of 4% per annum for delayed period.
