For Petitioner : Mr.C.Prakasam

For Respondents : Mr.L.Jaivenkatesh
Standing Counsel for TNEB
for R1 and R2

ORDER

By consent, this writ petition is taken up for final disposal at the admission stage itself.

2.The petitioner has come before this Court seeking a direction to the second respondent to provide a fresh electricity service connection.

3.Mr.L.Jaivenkatesh, the learned Standing Counsel for TNEB takes notice for respondents 1 and 2, and made a statement, on instruction that for providing an electricity connection to the petitioner's property, a pole is required to be fixed. While it was attempted, a dispute arose regarding the boundary of the property of the petitioner and the third respondent. Therefore, the second respondent has required the petitioner to determine his boundaries properly.

W.P.No.24239 of 2023

4.Learned counsel for the petitioner submitted that the petitioner has applied for a survey of the property to determine the boundaries.

5.Since the authority has not taken a decision to reject it, and since the authority is also awaiting the final report of the surveyor to ascertain the place where the electric pole needs to be installed, this Court considers that the present petition has been filed one stage too early.

6.In view of the above, this Court merely directs the second respondent to complete the process on the application of the petitioner as and when the petitioner fixes the boundary and intimates the same to him.

7.This Writ Petition stands disposed of accordingly. No Costs.
