JUDGMENT

Learned counsel for the appellant has placed on record the status report relating to Trade Mark No.925369 in Class 20. The said report indicates that the last registration of the mark was valid up to 17.05.2010. Since the long stop date for renewal has long expired, this appeal has been rendered infructuous.

2. By taking note of the above developments, (T)CMA(TM) No.188 of 2023 is dismissed as infructuous without any order as to costs.
