University, the respondents 3 and 4 herein, made a statement on instructions that the entire process for online registration for admission in Agricultural University was concluded as early as 30.06.2023, and since, the petitioner has not even registered herself, her request cannot be considered.

3. When the counsel for the petitioner submits that the petitioner has given her representation for the same, this Court reminds the petitioner when all administration process for all the professional courses are by online, the petitioner seems to live in a world of her own. There is a procedure contemplated, and that cannot be deviated from for an individual. And if the request of the petitioner were to be considered, then it would imply that the petitioner is a preferred litigant, and this Court does not inclined to grant any litigant any preference or privilege.

4. The petitioner has come several steps too late and hence, this Court may not be able to accommodate the petitioner's request. Hence, this petition is dismissed. No costs.
