ORDER

This Writ Petition is pending from the year 2017. Already several times and several opportunities have been given to the petitioners. Which shows that the Petitioners are not interested to prosecute this writ petition as the writ petition is pending for the years together.

2. When this writ petition came up for hearing lastly on 06.11.2023, the learned Counsel for the Petitioners seek time for change of vakalat in order to change, this Court granted time and now even after 20 days passed away and today also they are seeking for adjournment which shows the lack of interest to prosecute this writ petition any more by the petitioners and under these circumstances this Court is not inclined to grant adjournment. Hence the writ petition is dismissed for non-prosecution. No costs.
