petitioner is a history sheet and it is pending in History Sheet No.1 of 2016 before the fifth respondent. The first petitioner has filed W.P.No.27505 of 2023 for removal of his name from the history sheet maintained by the fifth respondent and orders were passed in this writ petition today. The said order will have a bearing in this case also. If ultimately, the representation made by the first petitioner is considered by the fifth respondent and the name of the first petitioner is removed from the history sheet, automatically, the first petitioner will not be called for any enquiry by the respondent police. Hence, the petitioners shall await the decision to be taken by the fifth respondent in the writ petition made by the first respondent seeking for removal of his name from the history sheet. In any case, it is only the first petitioner for whom the history sheet is maintained by the fifth respondent. Therefore, if, in case of any enquiry, the fifth respondent shall call the first petitioner for enquiry and the other family members should not be harassed. This observation will sufficiently take care of the grievance expressed by the petitioners.
