1. This writ petition has been filed by the petitioner seeking a direction to respondent nos. 2 and 3 to release the car "Mahindra Scorpio" bearing registration number TN 22 DM 0555 which has been seized on 29.09.2022.

2. The case of the petitioner is that he has purchased the car on 27.04.2022 through the broker and transferred the ownership in his name after verifying the particulars manually and also through the online portal maintained by the Department of Home (Transport), Government of Tamil Nadu. However, the third respondent on 29.09.2022 seized the car from the petitioner's house on the ground that the payment of road tax and insurance have been made in different places of the State. It is further submitted that despite several representations having been given to the respondents to release the car, the same has not been done.

3. A counter affidavit has been filed by the respondents. It is the case of the respondents that on verification of records of the vehicle, the authorities came to know that the car was registered with RTO, Tiruchengode but on further verification about the payment of

lifetime tax and it shows that the tax has to be paid at RTO, Chennai (South West). It further states that there are no particulars of payment of Road Safety Tax and Payment Registration Fee. According to the respondents, the vehicle has been registered by creating fake documents in Portal and therefore submitted that the cancellation done as per the provision under Section 55(5) of the Motor Vehicles Act is just and proper.

4. Heard the learned counsel for the parties and perused the material records of the case.

5. It is not disputed by the respondents in the counter that the petitioner is only a subsequent purchaser of the vehicle. The vehicle has been seized mainly on the ground of registration by creating false records at different offices and the investigation is also under process. However, it is stated that the petitioner being a subsequent purchaser has no role to play in creation of the false documents. However, to ply the vehicles in the public road, necessary registration is required. When the registration certificate itself is found to be false and the investigation is under process, allowing such vehicles to ply on the public road would cause serious prejudice

6. With the aforesaid direction, this writ petition is disposed of. No costs. Consequently, connected miscellaneous petition is closed.
