2.The petitioner submitted his application for consent to operate under The Air (Prevention and Control of Pollution) Act, 1981 and The Water (Prevention and Control of Pollution) Act, 1974 and the same came to be granted by the 1st respondent vide Proceedings dated 09.05.2019 and renewed vide Consent Order dated 09.05.2019. In the meantime, the DEIAA was abolished and the power was vested with the State Environmental Impact Assessment Authority. An order was passed by the National Green Tribunal in O.A.No.142 of 2022 directing all clearances given by DEIAA to be re-appraised by SEAC/SEIAA. This order was passed on 07.12.2022.

3.On account of the fact the re-appraisal was not done by the SEIAA, clearance was not given. Hence the present Writ Petition.

We make it clear that all the conditions stipulated by the Pollution Control Board and DEIAA must be strictly complied with. In the meantime, the petitioner has to apply for re-appraisal before the SEIAA with all relevant documents, within a period of two weeks from the date of receipt of a copy of this order.
