COMMON ORDER

(Order of the Court was made by J.NISHA BANU, J.,)

These Writ Petitions have been filed to direct the fourth respondent to permit the petitioners to carry on quarrying operation in their respective lands

W.P.Nos.31593, 31597 & 31601 of 2023

by issuing necessary transport permits until the date of expiry of environmental clearance obtained from the District Level Environment Impact Assessment Authority, without insisting environmental clearance appraised by SEIAA.

2. Since the issue involved in all these writ petitions are one and the same, they are disposed of by this common order.

3. The petitioners herein are granted with quarrying Lease for their respective lands in Salem District. The Lease Agreements came to be executed by the third respondent in favour of the petitioners herein on 08.03.2019, 08.03.2019 and 14.09.2020 respectively for a period of ten years and Environmental Clearance (hereinafter referred to as 'EC') was granted by the District Level Environment Impact Assessment Authority (hereinafter referred to as the 'DEIAA') for a period of five years, in each case, vide separate orders dated 05.12.2018, 07.12.2018 and 07.12.2018.

4. In these circumstances, the Government of India, Ministry of Environment, Forest and Climate Change issued an Office Memorandum,

W.P.Nos.31593, 31597 & 31601 of 2023

dated 28.04.2023 directing the second respondent to re-appraise the EC granted by DEIAA from 15.01.2016 to 13.09.2018 within one year and a direction to DEIAA to forward all the EC granted by them to the second respondent. The grievance of the petitioners is that the second respondent has not come forward to carry out the above said exercise till date.

5. The contention of the petitioners is that without proper appreciation of the directions issued in the aforesaid Official Memorandum, the fourth respondent had arbitrarily stopped issuing transport permits to the petitioners. The petitioners have also applied before the second respondent vide separate applications on 07.08.2023, 03.08.2023 and 28.05.2023 and the same is pending consideration before the second respondent. Aggrieved against the same, the petitioners have filed the present writ petitions.

6. Heard both sides and this Court, perused all the materials placed before this Court.

7. Perusal of records show that the National Green Tribunal (Principal Bench), New Delhi, vide order dated 13.09.2018 in O.A.No.186 of 2016 in ***Satendra Pandey vs. Ministry of Environment Forest & Climate Change***

8. In compliance with the above said directions, the Ministry issued an Official Memorandum, dated 12.12.2018 directing to comply with the directions of the National Green Tribunal. Subsequently, the National Green Tribunal vide its order dated 07.12.2022 in O.A.No.142 of 2022 in the matter of ***Jayant Kumar vs. Ministry of Environment, Forests and Climate Change*** inter-alia observed that, mining leases in which environment clearance was granted by DEIAA in view of amendment notification, dated 15.01.2016 are still continuing even after passing of order dated 13.09.2018 by the Tribunal in ***Satendra Pandey's*** case (stated supra) and issuance of an Official Memorandum, dated 12.12.2018 by MoEF & EC without any re-appraisal by SEIAA and appropriate remedial action on the basis of such re-appraisal. All

W.P.Nos.31593, 31597 & 31601 of 2023

such mining leases in which EC was granted by DEIAA need to be brought in consonance with the directions given by the Hon'ble Supreme Court in **Deepak Kumar's** case (cited supra) and order dated 13.09.2018 by the Tribunal in **Satendra Pandey's** case (cited supra) by re-appraisal by SEIAA and only such mining leases can be continued which have been on re-appraisal granted environmental clearance by SEIAA.

9. The Ministry of Environment, Forests and Climate Change was directed to take appropriate steps for compliance by issuance of requisite direction in exercise of the statutory powers under the Environment (Protection) Act, 1986. Accordingly, the Ministry examined the above issue by taking into consideration the orders passed by the Hon'ble Supreme Court in the matter of **Deepak Kumar's** case (cited supra) and the National Green Tribunal order dated 07.12.2022 in O.A.No.142 of 2022, and issued an Official Memorandum dated 28.04.2023 wherein it examined all the issues and accordingly decided that all valid EC issued by the DEIAA shall be re-appraised through SEIAA/SEAC, in compliance to the order of the National Green Tribunal in O.A.No.142 of 2022 and directed that all concerned SEAC's shall re-appraise the EC issued by the DEIAA's between 15.01.2016 and

W.P.Nos.31593, 31597 & 31601 of 2023

13.09.2018 (including both dates) and all fresh EC in this regard shall be granted only by SEIAA's based on such appraisal and also the said exercise shall be completed within a time period of one year from the date of issue of the Official Memorandum.

10. It also directed all DEIAA's to transfer all files, where EC's have been granted to the concerned SEIAA's within a time period of one month from the issuance of the Official Memorandum and also directed the State Government to assess the existing workload of SEIAA/SEAC's and send proposal for constitution of additional SEIAA/SEAC's for a specific period, to deal with such additional workload.

11. Accordingly, by the above Official Memorandum, the EC's which have been granted between 15.01.2016 and 13.09.2018 (including both dates) alone were directed to be re-appraised by the SEIAA within a period of one year and all fresh EC's issued thereafter, i.e. after 13.09.2018, has to be granted only by the concerned SEIAA's.

12. Therefore, now, it is very very clear that for the EC's granted between 15.01.2016 and 13.09.2018 (including both dates) shall only apply

W.P.Nos.31593, 31597 & 31601 of 2023

for re-appraisal by the SEIAA's and fresh EC granted after 13.09.2018 has to be granted only by the SEIAA's.

13. Here in the present cases on hand, as the DEIAA has granted EC's on 05.12.2018, 07.12.2018 and 07.12.2018, i.e. after the cut-off dates mentioned in the Official Memorandum, dated 28.04.2023 as, '*between 15.01.2016 and 13.09.2018 (including both dates)*', the said Official Memorandum will not be applicable to the petitioners herein and they necessarily have to apply only before the SEIAA. The petitioners, without getting EC from SEIAA, cannot do any quarrying operations till then. Therefore, the prayer sought for in these these writ petitions fail. Accordingly, the Writ Petitions stand dismissed. No costs. Consequently, connected miscellaneous petitions stand closed.
