ORDER

This Civil Revision Petition is filed challenging the attachment order passed in E.A.No.4 of 2022 in E.P.No.85 of 2018, the third party has preferred this revision.

2. The learned counsel for the petitioner submits that the property belongs to M/s.Pavan Developers was erroneously attached, which was no way connected with the arbitration proceedings.

3. Admittedly, the petitioner is the third party to the arbitration proceeding and the award was passed on 07.07.2014. On perusal of the award, both the respondents, more particularly, Anubama, who is the Managing Director of the then M/s.Pavan Developers remained ex parte and accordingly, the award was passed. As on date, the award is in force, as a third party, has no locus standi to challenge. Therefore, I do not find any merit in this petition.
