3. Though the petitioner has also sought for disbursal of certain alleged retirement benefits in this Writ Petition, such request requires to be work out by making a representation before the concerned authority only.

4. This Court, in various decisions, have already taken a view that in all cases of belated payment of the terminal benefits, the concerned employee would be entitled for interest at the rate of 6% per annum. In this background, this Court is of the view that if the respondents are directed to pay interest on the belated payment of the terminal benefits of the petitioner, the ends of justice could be secured.

5. In the light of the above observations, there shall be a direction to the respondents herein, to settle the interest amount at the rate of 6% per annum on the belated payment of the terminal benefits from the date of the petitioner's retirement till the date of actual payment, within a period of four (4) weeks from the date of receipt of a copy of this order.
