2. The learned Government Advocate (Crl.Side) states that there is no reason to loose faith in the present Investigation Officer, since it is a case and case in counter, bald allegation is made against the Investigation Officer.

3. Considering the rival submissions and the material placed before this Court, this Court is of the view that since siblings are at loggerhead and has involved in cognizable offence, allegation of biased investigation need not be taken on the face of the complaint. However, to instil faith on the Police, in this case, the first respondent/the Superintendent of Police shall monitor the investigation and ensure final report is filed within reasonable time.

4. With this directions, this Criminal Original Petition is disposed of.
