COMMON ORDER

Heard the learned counsel appearing for the writ petitioner and the learned Additional Advocate General assisted by the learned Standing Counsel appearing for the respondents.

2.The petitioner in all these writ petitions is one and the same. The petitioner has questioned the tender notification issued in respect of as many as eleven (11) regions. As per the tender notification, the participant / tenderer must own 10 vehicles per region and has lease arrangement of 20 vehicles per region. The petitioner herein who is owning only 6 vehicles ambitiously aspired to bag the tenders for all the eleven regions. My attention is drawn by

W.P(MD)Nos.3619 to 3629 of 2023

the learned Additional Advocate General to clause 7(f) of the tender notification. It reads as follows:

“f) Tenderers should offer separate vehicles for each district tender. In case they are filing tender for more than one district, if the same lorries are offered for more than one district, the tender filed in both the districts will be rejected outrightly without any consideration. ”

Since the petitioner is having only six vehicles, he could not have taken part in the tender process even for one region. Therefore, on this sole ground, these writ petitions have to be dismissed. For the reasons set out in the order dated 27.02.2023 in W.P(MD)No.3609 of 2023, these writ petitions are dismissed. There shall be no order as to costs. Consequently, connected miscellaneous petitions are closed.
