2.The learned Additional Public Prosecutor would submit that on the basis of the complaint/representation made by the petitioner enquiry was undertaken. During the course of enquiry, both sides appeared and given statement that the grandmother of this petitioner executed sale deed in respect of the property in lieu of the medical expenses borne by this petitioner. But however, the private respondents came to the property and they sent out the petitioner from the property after the death of their grandmother. Now they are in occupation. Since the private respondents are in occupation without any proper right or title the parties have to workout their remedy through appropriate civil process.

3.Let the petitioner workout her remedy against third respondent for recovery through the civil process. On that ground police protection need not or cannot be granted at this stage.
