ORDER

Heard the learned counsel on either side.

2. The petitioner is working as Assistant Professor in the Department of Tamil in the third respondent College. She joined service way back in the year 2009. Unfortunately, due to certain issues, there was delay in approving the appointment. The approval order finally came on May 2022. A reading of the approval order indicates that the petitioner's appointment was approved with effect from the original date of appointment. However, the petitioner's salary grant has been released and the petitioner is now only getting her monthly pay. Arrears of salary have not been disbursed. Therefore, the present writ petition came to be filed.

3. The respondents have filed counter affidavit. In paragraph 10 of the counter affidavit, it has been stated that letter has been sent to the Director of

4. I can understand the difficulties of the respondents. But then the entitlement of the petitioner cannot be denied. Therefore, the respondents are directed to disburse the salary arrears of the petitioner as expeditiously as possible.

5. This writ petition is allowed accordingly. There shall be no order as to costs.
