JUDGMENT

[Judgment of the Court was made by R.SUBRAMANIAN, J.]

Being aggrieved by the order of the Writ Court, dated 01.03.2023 made in W.P(MD)No.3795 of 2023, the appellant has filed this writ appeal.

2. We do not any reason to entertain the appeal. All that the Writ Court done is to direct the official respondents to conduct a survey and demarcate the property. The Writ Court had made it very clear that the survey will not result in dispossession of any person and no fencing shall be put up by any person using police force for conducting the survey operations and the questions of title have also been left open. Hence, we do not see any injury or prejudice that would occur to the appellant in view of the order of the Writ Court. Hence, the writ appeal fails and it is accordingly dismissed. No Costs. Consequently, connected miscellaneous petition is closed.
