ORDER

Heard both sides.

2. The writ petitioner's mother Seyyathu Beevi was assigned the petition mentioned land in the year 2006. She settled the property in his favour and that of his brother in the year 2018. Thereafter, patta was also mutated in their names. The petitioner applied for electricity service connection. That was objected by the second respondent. After holding enquiry, the assignment as well as the patta were cancelled. Questioning the same, the petitioner and his brother Nainar Mohammed filed W.P(MD)No.7097 of 2022. Citing its pendency, TANGEDCO declined to give an electricity service connection. The cancellation order was set aside and W.P(MD)No.7097 of 2022 had been allowed.

3. In this view of the matter, the impugned communication is also set aside. The first respondent shall consider the petitioner's application and grant electricity service connection if there is no other impediment.
