WEB COPY

This Criminal Original Petition had been filed seeking for a direction against the second respondent not to harass the petitioner by insisting the petitioner to execute the sale deed in favour of the third respondent.

2.The learned Additional Public Prosecutor would submit that the third respondent has given a complaint against the petitioner stating that he had received Rs.10 lakhs as advance and agreeing to sell the property and later, he failed to do so. Hence, the complaint was given by the third respondent to recover the said amount. During the course of enquiry, the petitioner and the third respondent appeared before the second respondent and the petitioner had agreed to settle the issue.

3.However, no such letter of undertaking is available with the records. The issue between the parties is in respect of sale of property. Let the above said complaint given by the third respondent be closed by the second respondent, by directing the third respondent to approach the appropriate Civil Court to work out his remedy.
