ORDER

The petitioner, who is a Driver with the Tamil Nadu State Transport Corporation Ltd., had been involved in an accident on 17.05.2023, in an by which he had dashed against a person who tried to cross the road. The petitioner has rushed to call the ambulance to give immediate medical aid to the victim, and he was taken to the Government Medical College Hospital, Pudukkottai, where he was declared dead. The second respondent police was informed about the accident. Though the petitioner had pleaded that he was not at fault, the second respondent had registered an FIR against the petitioner. The second respondent had also seized the petitioner's original driving licence and forwarded the same to the first respondent for further action. The petitioner gave his representation on 24.05.2023 requesting to return his driving licence. the Licensing Authority to disqualify a person or revoke the licence for the contingencies set out therein, which include “it is being used or used in commission of a cognizable offence”.

3. Learned counsel for the petitioner would rely upon the decision of a Division Bench of this Court in ***P.Sethuram Vs. The Licensing Authority, The Regional Transport Officer, Dindigul*** reported in ***2010 Writ L.R. 100***, wherein a question was raised as to whether mere registration of a criminal complaint was enough to revoke a driving licence. The Bench considering Section 19(1) of the Motor Vehicles Act extensively held as follows:

“8. A bare reading of Section 19(1) shows that the Licensing Authority has the power to revoke any licence or disqualify a person for a specified period from holding or obtaining a driving licence, if any of the contingencies prescribed in Clauses (a) to (h) of Sub Section (1) of Section 19 arises. Moreover, the power under Section 19(1) can be invoked only after giving an opportunity of being heard to the holder of the licence and for reasons to be recorded in writing.”
