3. The learned counsel for the petitioner also ratified the statement made by the learned Additional Government Pleader, in accordance with the proceedings of the Tahsildar, Madurai West, dated 02.03.2023. He further added that there is a temple in existence in the same survey numbers which have not been removed owing to the interim orders passed in another Writ Petition filed by the temple.

4. In the light of the submissions made by either of the parties, we do not find any disobedience to the order of the Co-ordinate Bench. Needless to point out that non-clearance of the temple lands, will not be within the scope of the present Contempt Petition. Accordingly, the Contempt Petition stands closed.
