ORDER

This writ petition has been filed seeking Writ of Mandamus to direct the first respondent to return the petitioner's original driving license No. TN41 20081004428.

2. Heard the learned counsel on either side. With their consent, the writ petition is taken up for final disposal at the admission stage itself.

3. The petitioner is a driver employed in the Tamil Nadu State Transport Corporation, Trichy. On 27.07.2023 at about 10.25 a.m., while he was driving the bus bearing Registration No.TN 45N 3760, it was involved in a fatal accident. FIR No.117 of 2023 was registered on the file of Chinthamanipatti Police Station on 27.07.2023 for the offences under Sections 279 and 337 of IPC. The petitioner's driving license has since been seized. Seeking its return, the writ petition came to be filed.

4. The specific case of the petitioner is that he is no way responsible for the unfortunate occurrence and that the very registration of the First Information Report against him is illegal. Without issuing any show cause

notice and without passing any final order, the petitioner's driving license has been seized by the second respondent and the same has been handed over to the first respondent. The same is questioned in this writ petition.

5. The learned Additional Government Pleader strongly opposed the prayer in this writ petition.

6. Though the objections raised by the learned Additional Government Pleader appear to be sound, I am of the view that the impounding or suspension or cancellation of the petitioner's license can be resorted to only after finding the petitioner's guilty of negligence. It is only the jurisdictional Criminal Court or the Claims Tribunal that can decide the issue. It may not be open to an administrative authority to give any finding on this issue, particularly when the investigation is still pending. At the same time, if the petitioner's license is impounded and not returned to the petitioner, he will not be able to discharge his duty as driver. If the petitioner is found innocent later, the clock cannot be put back.

7. A Hon-ble Division Bench of this Court in the decision reported in *2010 Writ L.R. 100 (P.Sethuram V. The Licensing Authority, The Regional*

“The respondent has, in the impugned order, pre-concluded the issue that the appellant is guilty of rash and negligent driving, even before the Criminal Court or the Motor Accident Claims Tribunal went into the issue. Even to invoke Section 19(1)(c), it is necessary to show that the Motor Vehicle is used in the commission of a cognizable offence. Without making a specific averment regarding the same, the order suspending the driving licence cannot be taken to be passed after due application of mind”.

8. Respectfully following the same, the writ petition is allowed. The respondents are directed to return the petition mentioned original driving license to the petitioner immediately and without any delay. No costs.
