2. The learned counsel appearing for the petitioners would submit that in the order passed by this Court, there is no reference in respect of the the Surveyor's report. When there was no Surveyor report, the order passed by this Court, dated 03.08.2023 made in CRP(MD).No. 2405 of 2018 is to be reviewed.

3. However, while perusing the typed set of papers in page No. 43, there is a reference about the assistance of Surveyor and there is also a Surveyor plan. Though as rightly submitted by the learned counsel for the petitioners no Surveyor's report, since because the Surveyor's assistance was taken by the Advocate Commissioner, this Court could not find any merit in this Review Petition.

4. In the result, this Review Petition is dismissed. No costs.

5. The learned counsel for the petitioners also further submitted that the suit in which the Civil Revision Petition has arisen has already

been disposed of and therefore, even otherwise, the Revision is not maintainable.
