2. The case of the prosecution as per the defacto complainant's version stated in the complaint is that his brother Chinnakaruppan is an unmarried who is living with his mother in a nearby Kanmoi area. On 26.03.2023 at about 7.00 p.m., the defacto complainant contacted his mother. At that time, the mother informed him that his brother was also present with her. On 27.03.2023 at about 6.30 a.m., he was informed by the relatives that both his brother and mother are lying in front of their house. He went there and found both of them dead. On the basis of the above said complaint, a case was registered. During the course of investigation, the involvement of the petitioner was revealed. The petitioner was arrested and remanded to custody. Seeking bail, this petition came to be filed.

3. The learned counsel for the petitioner would submit that it is purely a false case, based upon the confession statement, this petitioner has been implicated in this case. No material has been collected to implicate this petitioner.

4. Learned Additional Public Prosecutor would submit that the earlier petition was dismissed by order dated 02.08.2023, considering the gravity of the offence. Final report has been filed in S.C.No.188 of 2023 before the learned Principal District Judge, Sivagangai.

5. Let the trial process be completed within a period of five months. I find no reason to enlarge the petitioner on bail, since there is no change in circumstances.

6. Accordingly, this Criminal Original Petition is dismissed.
