2. I have heard the learned counsel appearing for the revision petitioner. Since the revision petition is filed for early disposal of the case, the issuance of notice to the respondent is not necessary.

3. The Revision Petitioner/wife has filed a petition in H.M.O.P. No.64 of 2021 on the file of the Sub Court, Palani, against the respondent seeking divorce on the ground of cruelty and the same is pending.

4. The learned counsel appearing for the revision petitioner would submit that the divorce petition was filed in the year 2021 and the same is pending without any progress and that therefore, the trial has to be expedited.

5. The fact remains that the petition was filed in the year 2021. The High Court has already issued circulars to the District Judiciary, directing the Courts to give priority for the cases relating to Senior Citizens, HIV affected persons, Defence Personnel, Women and Children, more than 5 year old cases etc., It is to be noted that the revision petitioners, without approaching the trial Court, have directly come forward with the present

Revision Petition before this Court, seeking early disposal. In the absence of total pendency particulars and the work burden of that particular Court, this Court is not inclined to give any direction to dispose of the case within a specified period of time.

6. However, the trial Court is required to give priority to the cases, as per the Circulars of the High Court. The revision petitioner is at liberty to approach the trial Court and if such requisition for early disposal of the case is made, the learned trial Judge is required to consider the urgency for early trial, in the light of the circulars issued by this Court.

7. With the above observation and direction, the Civil Revision Petition is disposed of. No costs.
