2. The petitioner had given a representation to the authorities on 28.12.2021 seeking to extend the services of the petitioner in any one of the hospitals at Chennai. However, the said request was not considered. Therefore, the present writ petition has been filed.

3. In view of the recent regulations, the bond service period has been reduced from two years to one year. The petitioner has already completed eight months of bond service. The petitioner's request for extension of her bond service made in the year 2021 has not been considered in time.

4. Therefore, this Court is of the considered opinion that the petitioner should be brought within the bond service of the recent order, namely, the petitioner has to serve one year of bond service. Therefore, four months have been left out for completion of the bond service. In order to complete the four months bond service, the petitioner seeks some accomodation in any one of the four Medical Colleges, in Chennai City namely, Kilpaukkam Medical College, Omandur Government Medical College, Madras Medical College or Standly Medical College.
