### **ORDER**

Heard the learned senior counsel appearing for the petitioner and the learned Special Government Pleader appearing for the respondents.

2. By the impugned Form III notice, the petitioner has been called upon to vacate from the petition mentioned premises. We are more than satisfied that the petitioner has been in occupation of a water body without any iota of right or title.

*W.P.(MD)No.29001 of 2023*

3. When the matter was taken up for admission, the learned Special Government Pleader submitted that the impugned Form III notice was issued way back in February 2019 and that alternative site was assigned in favour of the petitioner in 2022 itself. The learned senior counsel in response submitted that alternative site assigned in favour of the petitioner is located more than 5 kilo meters from the present residence and that the petitioner is entitled to seek alternative site in the very same village as per the norms laid down in G.O.Ms.No.465, Revenue and Disaster Management Department, dated 27.11.2018. He placed particular emphasis on Class II of the said G.O.

4. Considering the fact that the petitioner has been in occupation of the petition mentioned premises for quite some time, even as we decline to interfere with the impugned Form III notice, we make it clear that the petitioner shall not be disturbed for the next four months. In the mean while, the petitioner is permitted to submit an application to the second respondent for allotment of an alternative site in the Padmanabapuram Village itself. The second respondent shall take note of the petitioner's representation and consider the feasibility of allotting the alternative site. In the affidavit itself as envisaged by G.O.Ms.No.465, dated 27.11.2018, if the second respondent finds that the petitioner's request is not feasible of compliance, the petitioner has no other

option but to move to the alternative site originally assigned in his / her favour.

5. With this direction, the Writ Petition is disposed of. The second respondent has to pass a speaking order on the petitioner's representation. We make it clear that any order to be passed by the second respondent will not be open to the judicial review or amenable to a fresh challenge. No costs. Consequently, connected miscellaneous petitions are closed.
