Admittedly, the only issue surviving in these petition is that no area has been earmarked as grazing ground in Milk Colony, Dhanas.

Learned counsel, appearing for the U.T., Chandigarh, on the basis of the affidavit of the Estate Officer, U.T., Chandigarh, dated 15.02.2019, submits that one acre of land is approved as grazing ground by the U.T. Administration on 14.01.2019 and even the site plan has been approved.

In view of the same, no further action is called for in the present petition and the same are disposed of.

Rule stands discharged.

Let a photocopy of this order be placed on the file of other connected case.
