CM-26938-CII-2017

Present application has been filed for placing on record the written arguments of respondents No. 3 and 4 along with relevant documents as Annexures R-3/1 to R-3/8.

Keeping in view the facts mentioned in the application, the same is allowed. Written arguments of respondents No. 3 and 4 along with documents as Annexures R-3/1 to R-3/8 are taken on record.

CR-6310-2017

Learned counsel for respondents No. 1 and 2 submits that present suit was filed by the petitioners seeking certain relief of supply of the oil to the plaintiff No.1 whereas, during the pendency of the said civil suit, the dealership in favour of New Service Station has been terminated

and the suit has already become infructuous out of which, the present civil revision petition has arisen.

Learned counsel for the petitioners submits that this fact has not been brought to the notice of the Courts below where the suit is pending. Learned counsel for the petitioners further submits that the dealership in favour of New Service Station has now been cancelled and hence, the present civil revision petition, which arises of the suit, where the main relief is being declined on the ground of termination of the dealership, may kindly be disposed of having been not pressed any further, at this stage.

Ordered accordingly.
