RAJESH BHARDWAJ, J. (Oral)

Present writ petition has been filed for issuance of a writ in the nature of mandamus directing the respondents to delete the entries on the Jamabandis for the year 2019-2020 and for the year 2014-2015, whereby the respondents made the entries under Section 4(17) and under Section 6(17) under the Land Acquisition Act, 1894 of the petitioners.

It has been contended by learned counsel for the petitioners that after having filed the present petition, notice of motion was issued and respondents were directed to file reply. He submits that from the reply filed on behalf of respondents No.1 to 3, it is evident that respondents No.1 to 3 have no objection if the entries are deleted. However, respondent No.4 has not taken any action on the representation dated 13.09.2021 filed by the petitioners before him.

Learned counsel for the State has also submitted that in view of the reply filed on behalf of respondents No.1 to 3, there is no objection if the entries are deleted. He further submits that as per reply, no representation has been filed by the petitioners before respondent No.4, who is the competent authority for redressal of their grievances.

After hearing learned counsel for both the parties, the present petition stands disposed of with a direction to respondent No.4 to treat this petition as representation and decide the same in accordance with law within a period of two weeks from today keeping in view the submissions made by learned counsel for the parties and the reply filed on behalf of respondents No.1 to 3.
