Application is allowed, as prayed for.

CR-694-2023

After arguing for some time, learned counsel for the petitioner prays that the present civil revision petition may kindly be disposed of having been not pressed but as there are certain observations, which have been made by the courts below while passing the impugned orders dated 25.03.2022 (Annexure P-1) and 06.12.2022 (Annexure P-2), which are likely to cause prejudice to the petitioner in the conduct of the suit, hence the same needs to be expunged.

The apprehension being expressed by the learned counsel for the petitioner is without any basis for the reason that any observation made

while passing the interlocutory orders is restricted to the said order only and the suit will be ultimately decided on the basis of the evidence, which will come on record independent of any observation made in the said orders.

As prayed for, the present civil revision petition is disposed of having been not pressed.
