ALOK JAIN, J. (ORAL)

1. Learned counsel for the respondent has duly identified the respondent, who is present in person in the Court and submits that the parties have resolved the dispute and agree that respondent shall remit the amount of the cheque to the appellant within a period of four months in three installments. The first payment of Rs.50,000/- shall be made by 15.09.2023 and the remaining amount of Rs.1,00,000/- shall be remitted to the appellant on or before 31.12.2023.

2. In the light of the above, both the parties are bound down by their statements made in the Court today. At this stage, respondent who is present in the Court submits that he had issued one more cheque in favour of the appellant, though he does not remember the number of the said cheque. However, since that cheque was issued way back in the year 2005-06, therefore, the said cheque cannot be presented now as it is.
