RAJBIR SEHRAWAT, J. (Oral)

The appellants-plaintiffs have filed this regular second appeal against the judgment and decree dated 25.07.1990 passed by the Sub Judge, 1st Class, Phool, whereby the suit filed by the appellants/plaintiffs for declaration was dismissed but the respondents/defendants were restrained from taking possession of the land from the plaintiffs, except in due course of law and against the judgment and decree dated 07.08.1993 passed by the Additional District Judge, Bathinda whereby the appeals were dismissed.

As per the office report, respondents No.1 and 2 could not be served because their addresses are incomplete. A communication was sent to the counsel for the appellants to do the needful for affecting service upon the respondents. However, it has been reported that even the address of the counsel for the appellant is not traceable.

There is no representation on behalf of the appellants even today. Same has been the situation for the past six years. Therefore, it is not even clear whether the appellant is still alive or not.

In view of the above, this court does not have any reason to proceed further with the appeal.

Dismissed.
