DATE OF DECISION : 22.03.2023**

versus

Ramkuwar deceased s/o Ramnarain through his LRs & Ors.

.....Respondents

CORAM : HON'BLE MRS. JUSTICE ALKA SARIN

Present : Mr. J.P. Sharma, Advocate for the petitioner

..

ALKA SARIN, J. (Oral):

The present revision petition has been preferred against the order dated 24.02.2023 passed by the Additional Civil Judge (Senior Division), Mohindergarh whereby the application under Order 6 Rule 17 read with Section 151 of the Code of Civil Procedure, 1908 (CPC) for amendment of the plaint has been dismissed.

Learned counsel for the petitioner would contend that the petitioner by way of the amendment wishes to challenge sale deed No.3574 dated 29.01.2018 and that the said amendment is necessary since the sale deed was executed during the pendency of the suit.

Heard.

In the present case, the application for amendment has been filed at a stage when the evidence of both the parties has concluded and the case is fixed for rebuttal evidence and arguments. The application under Order 6 Rule 17 CPC was filed on 23.01.2023 (Annexure P-2). A perusal of the application reveals that the same is totally bereft of any details of the amendment which is being sought. Even the paragraphs, which the petitioner wants to add, have not been mentioned in the application. An application for amendment needs to specifically state the amendment being sought and no blanket orders can be passed on an application for amendment without clearly stating the amendment sought.

In view of the fact that the application for amendment is totally bereft of any details of the amendment being sought, I do not find any illegality or infirmity in the impugned order. The revision petition is wholly devoid of any merit and is accordingly dismissed. Pending applications, if any, also stand disposed off.

Dismissed.
