Case is being called, however, there is no representation on behalf of the petitioner.

The instant petition was filed way back in the year 2018, seeking issuance of directions to the official respondents to protect the life and liberty of the petitioner as he apprehend threat at the hands of private respondents.

Learned State counsel on instructions has submitted that an inquiry was carried out and it was found that it was initially a civil dispute between the parties and subsequently, the matter had been closed. It has also been submitted that representation annexed as Annexure P-3, was never received by the official respondents.

In view of the above fact, the present petitions stands dismissed.
