VINOD S. BHARDWAJ, J. (ORAL)

The instant writ petition has been filed for seeking issuance of directions to the respondents not to construct the overhead supply reservoir (OHSR) within the small premises of the Elementary School and Anganwadi.

Learned State counsel, on instructions from Khushman Preet Singh, SDO Water Supply, contends that the project in question had been undertaken as a World Bank Project and was valid till 31.03.2023. The Department has decided to drop the same. It has been also pointed out that the competent Authority has also informed the District Education Officer for handing over the borewell of 200mm i/d and 1 pump chamber that had been constructed at the site so that the School Committee can use it at their own level.

In view of the aforesaid statement, on instructions made by the learned State counsel, learned counsel appearing on behalf of the petitioner contends that the present petition has been rendered infructuous.

Disposed of as having been rendered infructuous.
