1. This Court had framed the following substantial question of law in this Regular Second Appeal:-

- i. *Whether the person can be punished twice for the same offence?*
- ii. *Whether for one and the same shortage different recoveries by the different authorities can be effected from the person by adopting two different methods?*
- iii. *Whether it is proper to file a civil suit against the government official exercising his duties without notice or seeking leave of the Court?*

2. However, as the petitioner has not engaged any counsel after the death of the previous counsel which has informed to have been taken place about 4 years back, it appears that the petitioner is not interested in pursuing this Appeal. The appeal is **dismissed** for non-prosecution.

3. All pending applications filed in this Writ Petition shall stand disposed of.
