VINOD S. BHARDWAJ, J. (ORAL)

The present petition has been filed for seeking issuance of directions to the respondents to start/clear the sewerage line situated on the dividing road of Sectors 10-11, Faridabad so as to stop the over flow of sewerage line on the roads.

Learned counsel for the respondents was directed to seek instructions in the matter and to apprise about the status of above said sewerage line.

On resumed hearing, he has informed that the sewerage line had been cleared by way of deploying bucket machine in the year 2020 alongside the sewerage line and at present there is no over flow or water logging on the road. Further, the construction of the abovesaid road is also being undertaken by the road mix concrete process. Photographs of the current status of the road have also been shown today in Court.

In view of the aforesaid statement made by the counsel for the respondents and the photographs shown today in Court, it is apparent that the grievance of the petitioner does not survive any further.

The present petition is accordingly, disposed of as not pressed at this stage.

The petitioner would, however, be at liberty to seek revival of the present petition, if the above statement made by learned counsel for the respondents is found to be incorrect.
