3. The present FIR came to be registered by the investigating agency on the basis of secret information made available to them to the effect that two parties had attacked each other with an intention to kill and members of both the parties had received injuries.
4. The learned counsel for the petitioner contends that a compromise has been arrived at with the opposite party of which Sajandeep Singh (petitioner in CRM-M-19782-2023) and Paramjit Singh @ Kala Singh (petitioner in CRM-M-21977-2023) are two of the accused, and therefore, as the petitioner was in custody since 06.04.2023, he was entitled to the concession of bail.
5. The learned counsel for the State does not dispute the factual aspect as contended by the learned counsels for the petitioner-Harpreet Singh.
6. I have heard the learned counsel for the parties.
7. Admittedly, the FIR came to be registered on the basis of secret information received by the investigating agency, as per which two sides had quarreled with each other leading to the injuries being suffered by both the parties. Now a compromise has been arrived at, and therefore, no useful purpose would be served by keeping the petitioner incarcerated.
8. Thus, without commenting upon the merits of the case, the present petition is allowed and the petitioner, namely, Harpreet Singh is ordered to be released on bail to the satisfaction of the Trial Court/Duty Magistrate concerned.
