1. The petitioner herein is the plaintiff before the Court of first instance. By filing a suit for declaration, he has challenged the correctness of electricity consumption bill of Rs.23,441/- issued by Uttar Haryana Bijli Vitran Nigam Ltd. (electricity supply company). An application for interim injunction was also filed in which the trial Court by interim order directed the defendants to reconnect the disputed electricity connection subject to the condition that the plaintiff deposits 30% of the assessed amount along with the compounding fee within a period of two months. Admittedly, the application under Order XXXIX Rule 1 and 2 of the Code of Civil Procedure, 1908, is pending before the trial Court.

2. In these circumstances, the revision is disposed of with liberty to the petitioner to file an application before the Court of first instance to pray for disposal of the application under Order XXXIX Rule 1 and 2 of the Code of Civil Procedure, 1908.

3. All the pending miscellaneous applications, if any, are also disposed of.
