**VINOD S. BHARDWAJ J.(Oral)**

1. Petitioner in the present petition is seeking re-survey for the purposes of Census Population Count 2022 as the one which was conducted in Gurgaon, Haryana was in violation of the rules and procedure.

2. Learned counsel appearing on behalf of respondent No.3-Municipal Corporation, Gurgaon, informs that the Government of Haryana had issued a notification dated 26.05.2023 and as per which the total number of sheets for each corporation shall be fixed by the Government on the basis of the population drawn from the family information data established under the provisions of the

Haryana Pariwar Pehchan Act, 2021. The wardbandi is to be carried out a fresh under the supervision of the Deputy Commissioner, Gurugram. Hence, the survey report conducted by respondent No.5 which is a subject matter of challenge in the present petition does not have any use in the process of ward bandi. It is further contended that fresh census would be prepared and the wardbandi shall be done in accordance thereto.

3. In view of the same, the grievance espoused by the petitioners in the present petition stands redressed.

4. As such the present petition is accordingly disposed of as having been rendered infructuous.
