for the respondents.

JASGURPREET SINGH PURI, J. (ORAL)

The matter has been called thrice but none has caused appearance
on behalf of the petitioner.

The same was position on the last date of hearing.

On the last date of hearing, the matter was adjourned because an
earlier order dated 25.08.2022 would show that the learned counsel for the
petitioner had stated that there is some connected matter but no details of the
same has been provided either in the order dated 25.08.2022 or thereafter.

None has caused appearance on behalf of the petitioner either
today or on the last date of hearing, therefore, it appears that the petitioner is no
longer interested in pursuing the present case.

Dismissed for non-prosecution.
