Versus

CORAM: HON'BLE MR. JUSTICE DEEPAK GUPTA

Mr. P.S. Pandher, AAG, Punjab.

According to petitioner, he had not adopted son of respondent No.4 but said respondent No.4 is claiming that petitioner has adopted his son. Petitioner sent a legal notice to respondent No.4 in this regard but he did not respond.

Having heard the petitioner in person, I find no merit in the petition. Simply for the reason that respondent No.4 has not responded to the legal notice, does not amount to any cheating nor for this reason, official respondents can be given any direction to take action against respondent No.4.
