5. The learned counsel for the petitioner contends that taking the allegations to be correct, the only overt act attributed to the petitioner in the cross-case registered against him is that he was alleged to be armed with a

country-made pistol with which he fired but no specific injury was caused to anyone and no recovery has been effected from the petitioner. Jugraj Singh who is stated to have fired at Baljit Singh has already been granted the concession of anticipatory bail by this Court vide order dated 06.09.2022 (Annexure P-4). Sukhpal Singh @ Ganji has also been granted bail by this Court vide order dated 01.09.2023 passed in CRM-M-36779-2023. Even otherwise, it is a case of version and cross-version in which Dhara Singh from the side of the petitioner has died. As the petitioner was in custody since 12.01.2023 and none of the 33 prosecution witnesses had been examined so far, he was entitled to the concession of bail.

6. The learned State counsel contends that it is a case of version and cross-version. The petitioner is one of the main accused in the cross-version got registered at the instance of Surjit Singh. He, however, concedes that Jugraj Singh who is alleged to have fired upon Baljit Singh and Sukhpal Singh @ Ganji have been granted the concession of anticipatory bail and regular bail respectively, that the petitioner was in custody since 12.01.2023 and that none of the 33 prosecution witnesses had been examined so far.

7. I have heard the learned counsel for the parties.

8. Admittedly, it is case of version and cross-version. As many as 07 accused have been charge-sheeted in the main case whereas two accused are still absconding. In the cross-case in which the petitioner is seeking the concession of bail, there are 23 accused and 3 namely, Salvinder Singh, Sukhpal Singh @ Ganji (granted bail) and Jobanpreet Singh (petitioner) have been chargesheeted. As many as 40 prosecution witnesses are to be examined

in the main case and 33 in the cross-case. Therefore, the trial of the present case is not likely to be concluded anytime soon. As the petitioner is in custody since 12.01.2023, his further incarceration is not warranted.

9. Thus without commenting on the merits of the case, the present petition is allowed and the petitioner-Jobanpreet Singh @ Bruni son of Surjit Singh is ordered to be released on bail on his furnishing bail bonds and surety bonds to the satisfaction of learned CJM/Duty Magistrate, concerned.

10. The petitioner shall appear before the police station concerned on the first Monday of every month till the conclusion of the trial and inform in writing each time that he is not involved in any other crime other than the present case.

11. If the petitioner or his family members/associates make any attempt to contact/threaten/intimidate the witnesses in the present case, the State would be at liberty to move an application for cancellation of bail granted vide this order.

12. In addition, the petitioner (or anyone on his behalf) shall prepare an FDR in the sum of Rs.50,000/- and deposit the same with the Trial Court. The same would be liable to be forfeited as per law in case of the absence of the petitioner from trial without sufficient cause.

13. The petition stands disposed of.
