Learned counsel for the appellant has informed that being an illiterate person, appellant inadvertently instructed two counsels that is one the learned counsel for the appellant in the present FAO and learned counsel in FAO No. 2162 of 2016 to file the appeal against the same award dated 27.01.2016. This material fact has now come to the notice of the learned counsel for the appellant in FAO No.6250 of 2016. Therefore, he seeks to withdraw the present appeal.

Considering the fact that there is no mala fide on the part of either the learned counsel or the appellant, it appears to be on account of the illiteracy of the appellant. Accordingly, we accept the submission of the learned counsel for the appellant and allow him to withdraw the appeal.

Dismissed as withdrawn.
